**Product Line:** CSID – Consumer, Smart Card and Industrial Division

**Reason for Obsolescence:** These products are being removed from Spansion's product portfolio in response to low market demand and/or gravitation towards their equivalents based on next generation process technologies. Rationalization of the product portfolio enables Spansion to better service customer requirements via improved operational efficiencies.

**Application Impact:** All valid combinations of the products affected will no longer be offered. Recommended replacement products are provided in the below table.

**Potential Replacement Parts:** Please reference the below table for recommended replacements.
