

# Product Termination Notification (PTN):

Obsolescence of SSOP8 and SH-DIP48 packaged products listed

---

**PTN #: 2883**

**Issue Date: August 28, 2014**

---

## Overview:

SpanSion LLC is announcing the obsolescence of the list of products below which are produced by applying a particular lead-frame. The production line at Nantong Fujitsu Microelectronics for the below list of SSOP8 and SH-DIP48 packaged products will be shut down due to current limited production quantities. See below for details:

## Product Identification:

Refer to "Products Affected by This Obsolescence" for the list of products affected.

## Package Types Affected:

SSOP8 and SH-DIP48

## Description of Obsolescence:

Obsolescence of the products listed below which are produced by applying particular lead-frame.

## Reason for Obsolescence:

The supply of the products will be terminated along with the shutdown of the production line at the supplier. The production line of Nantong Fujitsu Microelectronics for the products listed below will be discontinued due to the very small production quantities.

## Anticipated Impact:

The ordering part number will no longer be offered. However SpanSion will make every effort to manufacture the necessary inventory before production termination upon request. Customers should contact their sales representative to submit the last time buy request prior to the last order date provided below.

**Last Order Date:** February 27, 2015

**Last Shipment Date:** August 31, 2015
