

Infineon SEMPER™ Access Program

Join the SEMPER™ Access Program for full access to SEMPER design files on the Cypress community. High-level SEMPER NOR Flash product information is available to the public, but detailed information is locked. Gain access to everything you may need to complete your design, such as full datasheets, reference designs, and sample code.

<p>Step 1</p>	<p>Cypress/community account: If you don't have an account on cypress.com, register for one.</p>	<ul style="list-style-type: none"> • Register: cypress.com/user/login
<p>Step 2</p>	<p>Cypress community username: If you haven't created your Cypress community username (or can't remember it), login to the community.</p> <p>You need to know your <i>Cypress community username</i> during Step 3.</p>	<ul style="list-style-type: none"> • Login: community.cypress.com • If this is your first time on the community, you will be prompted to create a username. When done, skip to Step 3. • To display your username, mouseover the round image  at the top-right of the page
