

# CYPRESS SEMICONDUCTOR

## PRODUCT CHANGE NOTIFICATION

**PCN:020001**

**DATE:** February 26, 2002

**Subject: Sumitomo 7351LS Mold compound change for TSSOP (IMI & Cypress parts)**

**To:**

**Description of change: For TSSOP mold compound will be changed to Sumitomo 7351LS. For IMI products the mold compound will be changed from Sumitomo 6600CS to 7351LS and for Cypress products the mold compound will be changed from KMC 184-2 to Sumitomo 7351LS**

**Benefit of change:**

- 1). Standardize materials for TSSOP package.**
- 2). Improves cycle time.**

**Qualification status: This molding compound has been previously qualified with the subcontractors who are assembling TSSOP.**

**Sample status: Available**
