

# CYPRESS SEMICONDUCTOR

## PRODUCT CHANGE NOTIFICATION

**PCN: 010074 Update**

**DATE:** June 4, 2002

**Subject:** USB & TTD, Add Palladium-Nickel-Gold (Pd/Ni/Au) finish for SOIC packages.

**To:**

### Updates:

#### OLD / NEW LEAD FINISH MANUFACTURING INFORMATION

- a). Due to general acceptance of the change in lead finish, Cypress will stop manufacturing Tin/Lead lead finish, for SOIC packages (manufactured in Cypress Manufacturing Limited, Philippines), on June 30, 2002
- b). Cypress will be shipping both the lead finishes starting July 1, 2002
- c). Part# will not change. The only difference is that the new lead finish Nickel-Palladium-Gold (Ni/Pd/Au) will have a square marked next to the date code
- d). Cypress would like all customers to switch to Nickel-Palladium-Gold (Ni/Pd/Au) lead finish, but If the customer prefers Tin/Lead finish, Cypress will have to assign a customer part#. Contact your sales representative.
