Product / Process Change Notification

PCN Number	000019 (Ref ICW 0090)			
Supplier Company Name	Cypress / IC WORKS			
Supplier Owner	John Horton, Director of Quality			
Title of Change	Tape and Reel ordering, shipping label and documentation change.			
Change Description	Order placement for tape and reel product will change to a "T" suffix to the ordering part number.	<u>Change Items</u> Ordering of product in tape and reel will be accomplished by placing a "T" as the suffix of the device name. Accordingly all shipping labels and supportive shipping documentation will be modified to have the "T" suffix.	<u>Present Value</u> Ordering of product in tape and reel is accomplished by placing a "TR" as the suffix of the device name. All shipping labels and supportive shipping documentation reflects a "TR" suffix.	<u>Proposed Value</u> "T" will replace "TR" as the designated suffix and label information for tape and reel product.
Reason for Change	IC WORKS merged with Cypress Semiconductor in April of 1999. This change blends the two shipping and ordering systems.			
Implementation Expected:	1 July, 2000			
Wafer Fabrication Sites Affected:	Unaffected			
Wafer Sort Sites Affected:	Unaffected			
Assembly Sites Affected:	Unaffected			
Test Sites Affected:	Unaffected			
Products Affected:	All products ordered and shipped in tape and reel.			
Matching/Synergy	Unaffected			
Risk Assessment	<u>Risk Level:</u> <input type="checkbox"/> High <input type="checkbox"/> Medium <input checked="" type="checkbox"/> Low <u>Justification:</u> Cypress Semiconductor has been using the "T" designation all along.			
Concerns / Considerations	There are no changes to the form, fit or function.			
Inventory Control:	Inventory of tape and reel product with "TR" shipping labels and supportive shipping documentation will be phased out and replaced with the "T" designation.
